Our God is Glamorous

By: Charmaine

This is my story, I'm sure you had the same thing going through your mind somewhere in your lifetime.

I was at a very bad place in my life where everything just went wrong. I prayed and prayed and no answer and one day I just had enough and I ask God where are you God you just don't care do you. I need you but you just don't care. I asked myself is there a God?

Two or three days went past I will never forget this.
It was a Saturday evening my son asked me if he can just drive to a friends house to give him back his school books. I said yes, all thou he did not have a drivers licence he is a very good driver.

About an hour after he and his brother left, I had a funny feeling but did not think any thing of it. Then the house phone rang the voice on the other side said to me that my sons were in a accident. It felt as if my whole world came to a end.

My eldest son and I rushed to where the accident took place. The ambulance was at the scene they said I can take them to hospital, which we did my son who drove the car had miner injuries but his brother had a very bad bump ons his head and it was swollen double his size.

After all the stress and drama we went to the panel beaters the next morning. My car was a wreck and only then it struck me. I saw it for the first time.

God saved both my sons, "He answered me and said 'I am here never doubt me. I'm alway with you even when you think there is no hope no help I'm with you".

Lesson learned, never will I doubt God again.

Thank you Dear God for saving my sons on that day. I'm grateful to you forever.

Thank you
Charmaine
