Happy Valentines Day

Please remember it is the small thing in life that last a lifetime in memories.
You don't have to spend money on your loved one to show them you love them.

Pick a flower in the garden.
Make him / her a cup of coffee, tea or hot choc.
Say I Love You but important show it every day.
Write love notes.
Run bath water with bubbles..
Hold hands, hug and kiss.

Every person love the small things in life..

Enjoy the month of LOVE

Sustainable Style Squad is an initiative started by three friends who decided to embark on a journey to rethink our ways as women from an environmental perspective.
We acknowledge that we have been doing many things wrong., but we have decided to make things better. We want to achieve this by learning about the environmental impact of our ways, teaching other women what we learn and by being conscious consumers.
We truly believe that it is the little things that we as women do that will make the difference.

For our first #donationbin project we want to donate (at least, 50) bags filled with biodegradable sanitary products.

We need your help! Please donate any unused bags that you can find Amongst ourselves, we already found about 15 bags which can be filled.

With this project we aim to:

- Donate biodegradable sanitary products to young girls in need (one out of 10 girls in Africa miss school during menstruation).
- Donating unused bags to be REUSED by someone in need.
- Plant seeds and raise AWARENESS of biodegradable menstrual care.

Please contact us via 083 529 1125 or via e -mail ane.oosthuysen@gmail.com

Your help will be highly appreciated.

The bag can be any shape or colour.

Please help us to help others. It is the month of LOVE lets do our BEST to support this beautiful project by three just as beautiful friend.

My inspiration for the younger generation of our country is that we need to be proactive and push forward and pursue our dreams and goals.

It doesn't go about where we come from or the labels that people has been giving us over the years, its for us to face our fear and to decide when the time is to become the person we always wanted to become.

6 super sweet ways to romance the heart:

* Breakfast in bed. This one's a classic and that's because it's an awesome way to start off someone's day. ...

* It's a spa life. Life is so busy that we can easily forget to do nice things for ourselves. ...

*Let them snooze, take nice pictures.

*Ask a friend to help you to with a surprise.

* Be a traditionalist, make a handmade card

* Make it all about them.

Have fun together.

Mr Petite Vaal 2021

Wynand Bezuidenhoudt the Vaal's Mr Petite 2021.
Small guy with a BIG hart. This is his story.

My name is Wynand Bezuidenhoudt. I am 9 years old and will be in Grade 4.
I have never been in the modeling industry.
In 2013 (I was two (2) years and five months old) when my mom entered me in Tjokkerland Tiny Tots competition.
I took the first place.

In 2020, I decided to take part in Mr Petite Vaal (for the fun) and to my surprise I WON Mr Petite Vaal 2021.
I am also a finalist for Jnr SA that is taking place in April 2021.

Since having won Mr Petite Vaal I have reached out a few charities.
I collected 14 Christmas boxes for the Catherine Robson Children's Home, for Christmas.
The Christmas boxes was given to Terrence Borman, which gave them to Catherine Robson Children's Home and gave them a Christmas Party.

On the 5th of January I had gone to Ronel Riekert owner of Jabes Foundation Foster Home in Vanderbijlpark and gave them clothes, bedding and a blanket.
These are just two of the charities I have done since my Title which was in November 2020.

I will be doing many more charities until I hand over my Title in 2021.
