Die jaar het verby gevlieg, en so baie opwindende ding het gebeur in 2017.
Ek is danbaar vir die blaaskans, dit was 'n besige jaar. Nou kan ons die Feestyd gebruik om saam met vriende, familie te wees.

Kersfees is 'n tyd vir omgee, dankbaarheid, vrede en vreugde. Glimlag vir elke persoon wat jou pad lanks kom, vriendelikheid kos mos niks!

Onthou dit gaan nie hier oor geskenke nie, dit gaan oor ons Hemels Vader se geboortedag.
Aan my geliefdes, vriende en familie, geniet die Feestyd, wees veilig en geseënd
Liefde Charmaine

Suhanè Bosch.

Christmas Eve is a night of Christmas songs that wrapped itself around you, like a shell.
But it warm's more than your body. It warm's your heart, filled it, too with melody that would last forever.
It's not what's under the tree that matters, it's who's gathered around it that matters!

May Peace, love and joy come over you! Have a holly, jolly Christmas and be safe.
Love Suhanè x0x

Charmazel Janse van Rensburg.

Raai wat dit is al amper weer Kersfees! Kersfees is God se genade om Sy Seun te stuur.
Dit is 'n ongelooflike tyd waar vriende en familie bymekaar kom. Die Kersseisoen is 'n tyd vir dankbaar wees en vir omgee vir ons medemens.
Mag die lig van God jou omring, die liefde van God jou omvou, die krag van God jou beskerm en die teenwoordigheid van God oor jou waak. Kom laat ons juig oor die grootste geskenk van alle tye, Jesus Christus, ons Verlosser. Mag Hy opnuut in elkeen se hart gebore word gedurende hierdie tyd en Wonders.
Liefde, Vrede en Vreugde vir altyd, Geseënde Kersfees!! Charmazel.

Alida Stols.

Kersfees is 'n tyd waar ons as family en vriende net rustig kan raak bymekaar kan kom en tyd saam spandeer, waar ons terug kan kyk op 'n jaar wat einde se kant toe staan.
Saam droom ons nuwe drome vir 2018 en natuurlik is Kersfees 'n tyd van heerlik eet en drink.
Rus en weer die krag herlaai vir 'n nuwe jaar vol dinge wat vir ons voorlê.

Dankbaar vir die genade wat ons ontvang het. Geseënde Kersfees vir jou en jou gesin, vol vreude en vreugde. Liefde Alida.

ZULU WEDDING

The official trailer for ***ZULU WEDDING***, the much anticipated romantic-comedy from producer/director Lineo Sekeleoane, has just been released!

Watch the trailer here: https://youtu.be/sP2IXewPkw0

The film will be released nationwide on Friday, 23 February 2018, by Ster Kinekor Entertainment.

Unashamedly romantic, glamorous and hilarious all at the same time, the film pays loving tribute to the richness of African culture. It acknowledges the, sometimes schizophrenic, reality of many urban South Africans who live sophisticated modern lives which are nonetheless shaped by their family cultures, traditions and expectations.

Feisty choreographer, LU "LUNGILE" (*Nondumiso Tembe*), will do anything to avoid falling in love. Even more to avoid going home to South Africa, where she's traditionally engaged to a king. However, when she meets her soulmate TEX (*Darrin Dewitt Henson*) she is forced to confront the tradition she's been running away from since the death of her parents, when she turned 18, and the ancestral debt they left her. She hatches a plan to confront the King and convince him to forget about her, but when she prevails upon handsome royal advisor ZULU (*Pallance Dladla*), to help her get into the Royal Compound, he proves to be a dangerously seductive charmer, one who seems to represent all the best aspects of her background.

Tex, his wise-cracking best friend NATE (*Carl Payne*), Lou's eccentric traffic officer sister MABO (*Makgano Mambolo*), and her tell-it-like-is alcoholic best friend SAM (*Bubu Mazibuko*), set off to 'the rurals' to rescue her while the shifty UNCLE PHINEAS (*Jerry Phele*), his sexy wife YVONNE (*Kelly Khumalo*) and "The Basotho 10,"(lead by TKZee Family's Gwyza) stay behind. The stage is set for hilarity, hi-jinks and heartbreak.

With an effervescent screenplay by Julie Hall and stunning cinematography by award-winning Lance Gewer of *Tsotsi* fame, ***ZULU WEDDING*** promises a lush, playful, escapist experience which should appeal to fans of films like *Happiness is a Four-letter Word* and *My Big Fat Greek Wedding*.

The star-studded cast includes Nondumiso Tembe *(True Blood, King Kong The Musical)*; Darrin Dewitt-Henson *(Soul Food, Lincoln Heights, Stomp The Yard)*; Pallance Dladla *(Tempy Pushas, Isibaya, Hard To Get)*; the hilarious Carl Payne (*Martin, The Cosby Show*); Bubu Mazibuko; Kelly Khumalo; Lorcia Cooper, S'thandiwe Kgoroge; Treasure Tshabalala; Kole Omotoso and Makgano Mamabolo with cameo appearances from DJ Tira, Carolyn Steyn and many of South Africa's best-loved celebrities. The Luju Pictures Film was produced in association with Brand Contact, the DTI, NFVF and Tsoga Afrika.

Molly's Game - A captivating combination of drama and suspence.

Award winning scriptwriter, Sorin makes his directorial debut with a compelling action-packed drama about the life of Olympic skier and underground gambling queen, Molly Bloom. Sorkin, known for his work on box office hits,such as The Social Network, Steve Jobs, Moneyball, The American President and A Few Good Men, adapted the script for MOLLY'S GAME from Molly Bloom's book and memoirs and managed to deliver a striking version of her story for the big screen. "In his overdue directorial debut, Sorki both entertained and make you learn in to absorb every detail of his wild tale, which boast a stellar cast to help tell it" The Hollywood Reporter's Todd McCarthy.

Molly's Game tells the sory of a beautiful and competitive sportswoman who ran the world's most exclusive high-stakes poker game for a decade, before being arrested in the middle of the night by 17 FBI agents wielding auto-matic weapons.

This suspenseful movie shows how she tries to protect her players, which included Hollywood royalty, sports stars and business titans during the court case that follows and how things gets even more complicated when she realizes that the Russian mob is also involved, Her only ally is her criminal defence lawyer, Charlie Jaffrey, who soon learns that there is much more to Molly than the tabloids led the public to believe.

The film was officially launched at the Toronto International Film Festival. It was also named the Audience Favourite at the Mill Valley Film Festival.
Acclaimed actress and producer, Jessica Chastain, famous for movies like Interstellar, The Martian,
The Disappearance of Eleanor Rigby and Miss Soane stuns in the role of Molly Bloom and the film critics predict that she might even win an award or two for her outstanding performance. Idris Elba (American Gangster, Thor, Pacific Rim, Star Trek Beyond) and the multi award- winning Kevin Costner (Dances with the Wolves, Robin Hood, Prince of Thieves, Tin Cup, The Postman, Message in a bottle, The Guardian) also impress in their supporting roles.
The cast also includes stars Michael Cera, Jeremy Strong and Justin Kirk.

MOLLY'S GAME provides the perfect combination of action, suspense and intrigue to captive and impress any audience. Through a cleverly compiled script, good directing and outstanding acting, you'll get to know Molly Bloom and forget about any preconceived ideas you might have had about who she is. It's a story about a strong, ambitious woman who managed to stand her ground in a male dominated industry and about the price she, eventually, had to pay for it.

The movie is distributed by Ster-Kinekor Entertainment and will be released in cinemas on 12 January 2018

BREATH

- An inspiring love story of Hope, and determination.

What would you do if your husband's life suddenly changed irrevocably and hi is about to give up hope?

You take over and give him strength to go on by loving him unconditionally, just like Diana Cavendish did in this inspiring true story that is coming to life on the big screen soon!

Adventurous and charismatic, Robin Cavendish has his whole life ahead of him when he is paralysed by polio whilst in Africa at the age of twenty-eight. Against all advice, Robin's wife Diana brings him home from the hospital when her devotion and witty determination transcends his disability.

Together they refuse to be imprisoned by his suffering, dazzling others with their humour, courage and lust for life. They also use their own story to inspire other people who are going through similar circumstances.

Clever technology makes it possible for Robin to 'get out of bed' and experience new adventures and enables him to become an advocate for disabled people across the world.

Keep your home safe when on vacation!

Don't let the anticipation of a well-deserved vacation blind you to the risks of leaving your home unprotected. Go ahead and plan your beach, camping or city shopping holiday, but take precautions before you leave. We subscribe to the "better safe than sorry" philosophy, so review your home safety checklist before you head out. A little extra vigilance will help keep your property and belongings safer while you're gone, and will keep you from obsessing about security once you're on the road to fun and adventure.

The best way to make sure your house is safe while you're gone is to have someone you trust still living in it. You may be lucky enough to have a tidy and conscientious relative who'll move in temporarily and water the plants, feed the pets and pick up the news-papers. If not, there are services you can use for house-sitting and pet-sitting while you're away. This can be a pricy option, but it's a solution that touches all the bases.

An occupied home looks lived in Lights go on and off, and cars come and go. When you're Away, everything stops. To help create the illusion that the residence is still occupied, invest in timers that turn on the interior lights for a few hours every evening. If you can get a neighbor to take out your garbage and put the cans back after the garbage pickup, it's another way to send the message that

If you're a diligent homeowner who mows his lawn every week, and things start to look overgrown and neglected, it's easy to come to the conclusion that you're not around. If you plan on being away for an extended period of time, hire someone to take care of the landscaping chores in your absence.

This seems so obvious, but hey, it's easy to forget. If you keep a window unlocked to allow the cat easy access, or never bother to turn the deadbolt on the kitchen door, now's the time to clean up your act. Locking your home makes it less attractive to opportunistic burglars. If you don't make it easy, there's a better chance that when you get home, your house will be in the same condition as when you left it.

Show some caution when you talk about your trip. Your blog isn't the best place to announce that you'll be away from home for a month. Being aware of who's around when you discuss your trip in restaurants and even at work isn't a bad idea either. Make sure that your children are discreet, too. No one is saying that you should be suspicious of everyone you meet, but even a chance remark has the potential to lead to unintended and unfortunate consequences. The less information you put out there, the less likely it is to reach the wrong ears and eyes.

Disconnecting the power to some of your electronics, like your desktop computer, coffee pot and television can save you money while you're gone and eliminate the worry that you've accidentally left them on by mistake. Turning off your garage door is also an effective way to keep thieves from opening it with a universal remote. Oh, and don't leave a portable GPS in your car when you use long-term parking at the airport. It'll alert thieves that you're not home and give them a convenient map to your house.

Rather be safe than sorry, know that your home is safe, go and enjoy your vacation.

Hanna Boss -Verf Jouself

Hanna Boss se enkelsnit, *VerfJouself, is gedurend Oktober* 2017 uitgereik en kan reeds oor die klankgolwe van radiostasies landswyd gehoor word! Hierdie splinternuwe treffer sal ook beskikbaar wees op haar album wat die rakke gedurende Februarie 2018 sal tref!

Verf Jouself is 'n moderne Afrikaanse Popliedjie, met inspirerende lirieke en 'n tikkie klassieke musiek vir 'n meer gesofistikeerde klank. Hierdie enkelsnit vind beslis aanklank by gehore van alle ouderdomme en die meesleurende wysie nooi luisteraars om lekker saam te sing.

Die musiekvideo is in 'n donker studio geskiet. *"Kleur en lig speel 'n baie belangrike rol in die video. Ons het ook gebruik gemaak van balletdansers om die klassieke instrumente in die liedjie te komplementeer. Dit was nogal vir my 'n uitdaging om saam met hulle te beweeg,"* vertel sy. Die video is vervaardig deur Fathom Media.

Kyk die video hier:
https://www.youtube.com/watch?v=6AGPFWYUDI8

Dié sangsensasie het nog baie planne vir die toekoms en sou graag saam met Corlea Botha wou werk. Wanneer sy nie sing nie, is sy lief daarvoor om op staptogte te gaan, berg te klim, fiets te ry en om tyd saam met vriende deur te bring. *"Ek sien myself oor vyf jaar as 'n gevestigde sangeres, met 'n kind of twee, of drie of vier! Ek is baie opgewonde om my stem, klank, styl en stories tot die Afrikaanse Muskiekbedryf te voeg."*

HANNA BOSS se unieke aanslag en borrelende persoonlikheid gaan nog vir haar baie deure oopmaak in die toekoms.

Top Vibe & SK GREAT MOMENTS AT THEIR GREATEST VAALMALL Movie Review

THE MUMMY

Cast: ★★★★
Tom Cruise as Nick Morton
Sofia Boutelle as Princess Ahmanet / The Mummy
Jake Johnson as Sgt. Vail
Courtney B. Vance as Colonel Gideon Forster
Russell Crowe as Dr. Henry Jekyll

Director:
Alex Kurtzman

Our review: ★★★★

Don't get me wrong. "The Mummy," directed (if that's what you want to call it; I honestly think the better term here is "ostensibly overseen on behalf of the studio executives") by Alex Kurtzman from a script by David Koepp, Christopher McQuarrie, and Dylan Kussman, has plenty to get irritated about. I got sand in my synapses during an early scene in which Tom Cruise, as a looter named Nick Morton (oh, "Mort," I get it now), and his sidekick, played by Jake Johnson, casually slaughter a bunch of "Iraqi insurgents" trying to track down a mysterious treasure. Oh, sure, film makers, by all means use a tragic and unnecessary war that's still yielding horrific consequences for the world as the backdrop for your stupid horror movie plot machinations, no problem here.

"The Mummy" has two female characters: One is corrupt albeit not unattractive ancient Egyptian royal Ahmanet, who, once freed from her tomb in the present day, is the incarnation of all evil and stuff. (She is played by Sofia Boutella, whose filmography testifies that she's accustomed to being ill-used in motion pictures). The other is faux-archeologist/genuine anti-evil secret agent Jenny (Annabelle Wallis) who's mainly around to be rescued by Nick, and whose surface venality suggests that his business card describes him as a "lovable rogue."

So yes, should one choose to take offense, one certainly may. But I have to be honest—speaking of venality, I found something almost admirable about the film's cheek. It's amazingly relentless in its naked borrowing from other, better horror and sci-fi movies that I was able to keep occupied making a checklist of the movies referenced. At its opening, remnants of a past civilization are discovered while workmen are tunneling underground for a new subway route. That's from "Quatermass and the Pit," aka "Five Million Miles to Earth."

Would you like the movie? Yes sure go and watch it.
We reviewed "The Mummy" 4 stars but this is our view, please tell us what you think of the movie.

SK GREAT MOMENTS AT THEIR GREATEST

BREATH - Continuo.

The movie, which is set in the 1950's , not only boasts a beautiful set and costume design, but also a star studded cast. Andrew Garfield, who plays Robin, is famous for his roles in The Social Network, Never Let Me Go, The Amazing Spider - Man and Silence.

Claire Foy, who is praised for her accurate portrayal of Diana Cavendish, starred in Season of the Witch and Going Postal. " The most important thing to get was their love for each other. I didn't want to over-sentimentalise her, and she definitely doesn't want to be seen as a saint or an angle, or incredible sort of nurse. It was actually true love,' says Foy about getting into character for the part. Hugh Bonneville, who has already been nominated for BAFTA, Emmy and Golden Globe awards for his role in Downtown Abby, and Tom Hollander (Mission Impossible, About Time, Pirates of the Caribbean) can also be seen in the movie.

The film had its world premiere at the Toronto International Film Festival in September and was also screened at the Opening Night Gala at the BFI London Film Festival. It has already been nominated for an Archie Award for Best First Feature at the Philadelphia Film Festival and Best Makeup and Hair Design and Sound at the Independent British Film Awards.
During the Heartland Film Festival, it won the Truly Moving Picture Award.

BREATH is a heart-warming and highly emotional celebration of bravery and human possibility, a love story about living every breath as though it's your last.
It will appeal to audiences of all ages, but especially if you enjoyed The Theory of Everything, Lion, The Imitation Game and Brooklyn.

This inspirational movie is distributed by Ster- Kinekor Entertainment and will be released in cinemas on 19 January 2018.
