Ek staan verstom waar is die tyd heen? Die jaar is alweer verby. Dan besef ek opnuut dit was 'n baie besige jaar, 'n jaar vol hartseer maar tog ook 'n jaar vol oorwinnings.
Daar was die pad wat ek en Erika saam met Madelein gestap het en nog steeds stap. Daar word steeds fondse ingesamel vir haar.
Dit gaan beter met haar sy het nou haar veloorplanting gekry en ons glo en vertrou dat sy tenvolle sal genees.

Ons het heelwat projekte waarmee ons nog besig is.
Ons nooi jou kom vat hande saam met ons sodat ons saam 'n verskil kan maak in die Vaaldriehoek.
Daar is ook die nuwe radio "Talk Show" met Louis van IFM 102.2 en Erika as "co-host" wat elke Woensdag om 8:30 uitgesaai word. Dit is 'n program wat JY nie moet mis nie.
Ons is vrek opgewonde daaroor!!!!

Top Vibe Magazine se kantore is by Models Unlimited in 1 Macowen straat, Vanderbijlpark.
Dit is hier waar ons 'n modelskool bedryf, drie tydskrifte dit is ook hier waar ons talle projekte bedryf vir minder-bevoorregte mense.
Daar is nie 'n lekkerder gevoel as om te gee nie. Dit is so amazing om terug te gee aan die gemeenskap. Mense se warm glimlage te sien wanneer ons 'n verskil maak.

Dit was 'n lang jaar en ek kan nie wag vir 'n welverdiende wegbreek nie. Ek is seker julle voel ook so. Ek gaan nou nie see toe nie, ek gaan Clarens om by twee wonderlike vriende te gaan kuier. Dit is juis daar waar ek weer innerlike krag gaan kry om volgende jaar met nuwe krag aan te pak.

Indien jy hierdie vakansie weggaan, geniet dit wees veilig en pas julle kinders mooi op. Wees bedag op die pad en dink maar vir die ander padgebruikers ook.
Ry maar die spoed van die pad en los maar die koue bier en wyn vir wanneer jy by jou bestemming aankom.

Graag wil ek julle 'n fantastiese Kersfees toewens, mag al julle wense waar word. Moet nie vergeet waaroor Kersfees gaan nie. Spandeer tyd saam met die gesin met mekaar en familie.

Vir al ons kliente julle moet dit baie geniet dankie vir julle wonderlike ondersteuning in 2019. Dan vra ek nederig vir julle ondersteuning in die nuwe jaar.

My wens vir julle, geniet alles eet alles moet nie alles drink nie maar as jy wel iets drink geniet dit.
Wees lief vir mekaar asof vandag jou laaste dag is. Glimlag dit is gratis. Gee vir ander wat nie het nie.

Mooi bly tot die volgende uitgawe

Perhaps you want to explore your own backyard or venture further abroad to soak in exotic destinations. The world is packed with stunning vistas, charming towns, and fascinating cultures just waiting to be discovered and enjoyed.

That's why we've created the ultimate step-by-step travel guide for planning your dream holiday end-to-end. Take a look at the topics below to get started!

We've got you covered:

1. Choose your dream destination Ask your friends and family

When planning your vacation, the first step is to decide where you'd like to go and what you'd like to do. Are you looking to head overseas, or would you prefer to explore Australia? If you're unsure, asking family and friends is often a good place to start as they can provide recommendations based on their own experiences and what they think you'll enjoy. From these conversations, you may whittle down your list of potential destinations to your top five.

The most popular overseas travel destinations
If you are heading overseas, another way you can refine your list of potential destinations is to see where other Aussie travellers tend to frequent.

Vacation Safety

As the warm weather approaches and thoughts turn to getting away for a few days, being safe while on summer vacation helps ensure that you and your loved ones only have good memories of your time away from home. There are many things you can do to keep yourself, your family and your valuables safe.

Use a broad spectrum sunscreen that protects against both UV-A and UV-B radiation from the sun. It should have an SPF rating of 15 or higher. Apply the sunscreen 15-30 minutes before going out in the sun and reapply it often. Always reapply the sunscreen after swimming or any physical activity.
According to the American Optometric Association you should wear sunglasses whenever you are outside in the sun. The minimum requirements for proper protection for

Summer Vacation Safety Starts Before You Leave Home
Make copies of all of your credit cards, important identification information, including your medical insurance cards, and your traveler's checks. Take one copy with you (pack it separately from the cards themselves) and leave one copy at home.
Take only a little cash with you. Bring most of your money in the form of traveler's checks or plan to use your credit cards while on vacation.
Never put your home address on your luggage tags. Write your phone number instead.
Make sure all of the doors and windows to your home are secured and locked. If your home has an alarm system, arm it when you leave for your vacation.
Never post your travel plans on social networks such as Facebook, MySpace or Twitter.
Have your mail held at the post office and your newspaper delivery put on hold or ask a family member, a trusted friend or neighbor to pick those items up for you.
Set automatic timers to turn your lights and a radio on and off.
Protect Your Valuables and Yourself
Park your car in areas that are well lit and as close to your destination as possible.
Always close all of the windows and lock the car doors.
Keep all valuables out of view by locking them in the trunk, tucking them under the seat or placing on the floor and covering them with a blanket.
Never leave your wallet, pocketbook or checkbook in the car. Always keep them with you.
If you are driving and become lost, do not stop on the side of the road to check the map. Drive to a brightly lit, public place to do so.
Never leave your car unattended with the motor running.
If you are going out sightseeing, ask at the hotel front desk if there are any areas you should avoid.
Only take the cash you need for the day with you. Leave the rest, and all other valuables, locked in the hotel or motel safe.
Never display large amounts of cash when making a purchase. The money you keep with you should be in small denominations.
When you check into your room, make a mental note of the locations of the stairs and fire exits.
Protection from the Sun
Whether you are traveling to a tropical beach or a snow-covered mountain, there are things you can do to keep your skin and eyes safe from the dangers of the sun.

Safe Riding:

It’s important for your child to wear a helmet while biking. Choose a bike helmet with a Consumer Product Safety Commission (CPSC) safety seal on it, because they set the safety standards. You can also keep your child safe by making sure their bike is the right size. There are recommended sizes for children’s bikes based on your child’s age and height. It might be easiest to have your child go with you when choosing a bike.

Bee Stings and Bug Bites:

Try to avoid having contact with bugs that bite or sting. Bees and mosquitoes can be attracted to sweet-smelling things such as lotions and sugary drinks. When bees are buzzing, tell your child to remain calm and avoid swatting, so the bee does not feel threatened. The best way to avoid mosquitoes is to play away from pools of standing water and stay indoors during dawn and dusk.

Have fun

Be safe

GREAT MOMENTS AT THEIR GREATEST VAALMALL

Movie Review

JUMANJI - WELCOME IN THE JUNGLE

★★★★

Director: Jake Kasdan.

Featured song: Welcome to the Jungle
Cast: Dwayne Johnson, Karen Gillan, Kevin Hart, Jack Black,

Our rating: ★★★★

Film review – Jumanji: Welcome to the Jungle is a pleasurable fantasy adventure sequel for all the family Four teenagers get sucked into a jungle video game and morph into avatars, played by a hilarious Jack Black, Dwayne Johnson, Karen Gillan and Kevin Hart, who make the most of a finely honed script. You'll laugh a lot

WHAT PARENTS NEED TO KNOW:

Parents need to know that Jumanji: Welcome to the Jungle is a new take on 1995's Jumanji. This time, instead of entering a board game, the players enter a video game. The popular stars, including Dwayne "The Rock" Johnson, Kevin Hart, Jack Black, and Karen Gillan, are likely to appeal to audiences of all ages. Expect some swearing (mostly "s--t" and "ass"), as well as action violence -- the main characters each die multiple times within the game (but they're regenerated quickly) -- and a couple of jump scares. Characters kiss and flirt awkwardly, and there are several references to dating, experience, and the humor of having a penis (one of the female teens is in a male avatar for most of the movie). There are also references to how girls/women can "distract men" with their attention and body, which doesn't send a great message to girls. That said, The Rock's character's body is also objectified. Still, there are positive themes here related to teamwork, empathy, selflessness, and communication, making this an easy pick for families who enjoy action adventures -- especially if they saw the original movie or read the Chris Van Allsburg book on which both films are based.

Get the popcorn, sit back and enjoy the movie, take a group of friends with you guys will enjoy it.
