Editors Note

We here at ***Top Vibe Magazine*** would like to wish all our Father's and Father's to be a very happy Father's day, we truly hope that you will be spoiled rotten with a very nice gift and offcourse the most precious gift any father can ever ask for, which is allot of love from your family.

Just like our Mother's, our Fathers are extremely special and have their own role to play in raising children.

There is no "How To Raise Children" instruction manuals that you receive with your new born but one can only do the best for your child always being there no matter what, lots and lots of love, care, respect, discipline etc.

Nobody could have predicted that the year 2020 would decide that we will all be in lock down with the Covid - 19 Pandemic.

This is actually very sad that we won't even be able to celebrate this special day like we normally would.
This is a difficult time for everybody. Normally these day's were celebrated at Restaurants, family gatherings, etc with the Covid - 19 nobody is allowed to eat at a Restaurants or have family gatherings.

Dad, it looks like you have to either braai or make a potjie on Father's day.

Whatever you are going to do to celebrate Father's Day Have fun, please be save and enjoy your special day.!!
Stay warm and be safe, we will keep you entertained during this lock down.

We are very great full to be on level 3 but still keep on praying for things to go back to normal.

Take care till next time .
