Hospitaal besoek

Een of ander tyd in elkeen van ons se lewe moet ons na 'n hospitaal toe gaan, of jy nou 'n besoeker of 'n pasiënt is. Soms is dit net so moeilik vir die besoeker as vir die pasiënt.
Wel, ek weet nou nie van julle nie, maar ek hou glad nie van 'n hospitaal nie. Bo en behalwe dat mens ingaan met pyn, maak hulle mens nog meer seer met drips en naalde. Dit is heeldag 'n gewoel en geskarrel om mens.

Die gepak van 'n hospitaal tas is 'n perd van 'n ander kleur. Sien mens vergeet altyd iets. Ek het onlangs so ervaring gehad. Dan vergeet ek die handeroom en dan die foon charger en dit is nou net iets wat my net nog meer omkrap.

Ek het voor my rekenaar gaan sit en 'n lysie gemaak en ek deel dit graag met jou. Jy kan nou jou eie lysie maak, byvoeg of weg vat, wat jou behoefde pas.

So lysie los ek dan in 'n sak of tas wat jy dan sal gebruik indien iemand hospitaal toe moet gaan.

So ook het ek 'n leër begin maak van Dokters, besoeke, dae en datums asook medikasie wat voorgekryf was en elke keer wanneer ons 'n Dokter gaan besoek dan neem ek 'n afskrif saam.

Sien dit maak dit net soveel makliker, want as jy mos voor die Dokter sit en hy/sy begin vrae vra dan slaan mens moes toe soos 'n boek.

Ek het 'n stappie verder gegaan en 'n verslag saam gestel van opersies, beserings en sovoorts veral wanneer jy verwys word deur jou huis Dokter na 'n ander Dokter of Spesialis.
Onthou hy ken nie jou mediese geskiedenis nie, en jy moet soveel moontlike informasie kan verskaf.

Glo my dit klink na baie werk, maar op die ou einde maak dit die lewe baie makliker en jou geliefde kan dan die beste mediese sorg kry. Ag, en as mens nou mooi daaroor dink is dit tog nie so erg nie. Mens voeg maar net by op so lys.
Soos ek hier sit en tik is ek nou by die hospitaal terwyl my liefie geopereer word.
Misien kan hierdie lysie jou lewe makliker maak.
Dit het vir my gewerk!
Sien hospitaal lys op bladsy 3.

Doctor Marius Bester.

An up-close and personal interview with Dr. Marius Bester.

"A doctor's career starts the first day you start medical school. "says Dr Bester, a well established and rooted Vanderbijlpark doctor.
Once he finished medical school, his formal working career began with medical post at Sebokeng Hospital. His ambition, drive and curiousness led him a step further into Vanderbijlpark town.

In 2004, Dr Bester was young, Afrikaans, South African doctor who came to Vanderbijlpark looking for opportunity. "And thank God, I found more than that" he says. I found a community, not just a place for me to plant business, a place for me to build relationships."

In taking that approach, over the years Dr Bester has become part of the Vanderbijlpark community and an influential voice and guide. "It has been my (business) from home for over 13 years" he explains.

Top Vibe took the time to ask him some interesting questions so we could find out what makes this doctor, husband and father tick.

What are you passionate about?

I am passionate about a number of things in every element of my life. My work and especially stimulating my brain with new learning and medical breakthroughs, as well as helping my patients beyond their expectation of me.
I am passionate about building family experiences and the right kind of memories for my family. Family and spending quality time with my children is my priority.
I also believe that if you can't add value to people and into the things you do then you should not do it.

What is your proudest achievement?

My proudest achievement so far is completing my Masters in Sports Medicine, Cum Laude. It has taken me three years to complete, while maintaining my current practice and emergency services business.
Sport medicine is one of my many passions. Being a specialist Sport Physician enabled me to explore more about medicine, sport and training sport injuries as well as being better equipped e serve my current patients.

How do you handle the stress and pressure of your profession?

As I mentioned earlier in the interview, sport is one of my passions. I love it and do my best to include it in every part of my life. I love to exercise and keep healthy and through this, I believe I am setting a good example for my children to follow.

My family and I run and cycle together as well as spend a lot of time together outdoors and doing things like climbing Table Mountain. My wife and I do a number of races together, including The 94.7 Cycle Challenge and The Argus Cycle Tour. Currently we are training for the Iron Man 70.3 in East London.

Describe yourself in 3 to 5 words.

I am very proud of who I am and where I come from, but talking about myself, even in this interview, is something out of my comfort zone. I think my wife knows me better than I know myself, so I asked her for her opinion on this. She said "Committed, confident, honest, humble and gentle"

What is your favourite 80's jam?

There are so many....Living on a prayer by Bon Jovi.

What where you like in high school?

Wow, that was a very long time ago.
I was a little "nerdy" but have always been extremely sporty. I had a passion for sports from a very young age.

Did you always know you wanted to be a Doctor?

Yes I did. I believe that being a doctor is in you, it's part of you. It's a gift of God, there is n other way to put it. Without the love and support of my parents, my journey would have been far more difficult. From young age, there they pushed me, guided me, supported me and taught me how to work hard for what I want.

Do you have any advice for current students who want to become Doctors?

Develop good habits like being organised, being consistent and reading alot!
You have to fight and work hard for what you want. Nothing comes easy. This might be a clichè, but it's true! Share your ambitions with your parents. Their love and guidance will get you through many difficult times.

More so, choose the right life partner who will support you, back you and understand that a doctor take an oath to help people, above all else.

Soen die reën

Twee van Suid-Afrika se gewildste sangers het kragte saamgesnoer om 'n pragtige liedjie getiteld, ***Soen die reën*** op te neem. Alhoewel die opname reeds twee jaar gelede gedoen is, word dit nou vir die eerste keer amptelik aan radiostasies landwyd uitgereik.

Jak de Priester en Steve Hofmeyr se paaie het twee jaar terug gekruis toe Steve'n gas was op die kykNET program, Reis na gister.

Die program word deur Jak aangebied en in elke episode reis hy saam met 'n bekende deur hulle groot word jare. Terwyl hulle saam in die motor gery het, het hulle besluit om hierdie spesifieke snit van Jak saam op te neem en dit dan in die uitsending van Steve se episode te gebruik.

"Die liedjie is geskryf en geïnspireer deur die kwesbaarheid om 'n man te wees in Suid-Afrika.
Mans moet leiers wees in 'n land soos Suid-Afrika met baie onsekerheid, en soms is dit nodig om te besef wat regtig belangrik is. Soos familie en kinders en vriende...", sê Jak.

Big thank you to Sasolburg Fire department.

I would like to thank the *Sasolburg Fire department* for responding to my call. My cat named *Patroon* went down the storm drain pipe in front of our house in Vaalpark.

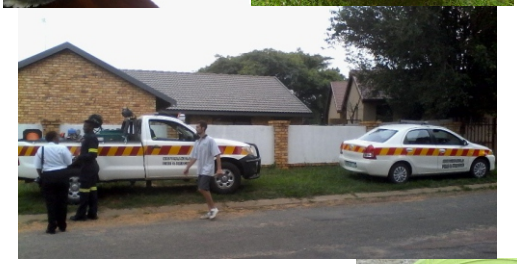

I was such a relief when they arrived at the house after 15 - 20 minutes.
They were very helpful and concerned about the cat.
With the right equipment they opened the storm drain.

With little space in the storm pipe, we could only see the cat but could not reach him. We had to keep the hole open for him to be able to come out.

Unfortunately, *Partoon* decided not to come out. We got some water and food down in the storm water drain.
In the early morning hours *Patroon* decided to come home.
What a relief!!!

Just look at how cute *Patroon* cat is!!

17 MARCH 2018

Happy St. Patrick's Day

Werk's geleenthede vir blanke jong mense:

Hierdie is 'n baie sensitiewe saak en mense wil nie graag hieroor praat nie. Maar die feit van die saak is dat daar nie werk is vir ons kinders nie.

Maar dan is daar ook die vieslike ding wat sy kop uitsteek. Daar is maatskappye wat nie hulle werkers betaal nie en dit is so hartseer as mens daaraan dink.. Wat hierdie mense nie besef nie, is dat dit geld kos om by die werk te kom en dan wanneer hulle jou moet betaal was daar kastig die probleem by die bank of die dame wat die betaling moes maak is siek of dag af of een of ander verskoning.

En so gaan dit net aan tot jy noodgedwonge na die CCMA toe moet gaan vir hulp. Dit op sy eie is ook 'n lang proses en daar is ook nog geld betrokke.

As werkgewers net wil besef dat mens soek 'n werk omdat jy geld nodig het. JY het nie geld om uit te gee nie.

Ek persoonlik dink dit is baie 'laks' van ' n werkgewer. Glo my daar is baie wat dit doen, maar ek wil ook by-voeg daar is ook wonderlike werkgewers wat hulle werkers met respek behandel en op tyd betaal soos dit hoort.

My hart gaan uit vir jongmense vandag wat nie werk kry nie. Dinge is glad nie maklik nie. Daar is jong mense wat al vier (4) jaar sonder werk sit en hulle het geleerdheid en is nie lui om te werk nie.

Mense is so geneig om vinger te wys en te sê dat hulle te sleg is om te werk, maar dit is nie altyd waar nie. Ek glo daar is wel die wat nie wil werk nie, maar hulle is in die minderheid.

My gebed is dat elke jong mens 'n werkie sal kry. Ons moet saam staan en mekaar help om vir ons kinders te help om werk te kry.

Graag wil ons 'n beroep doen en vra of daar enige maatskappye is wat bereid is om ons jong mense 'n kans te gee, om ook 'n toekoms te bou.

Ons as ouers moet saam staan en mekaar help om werk vir ons kinders te kry. Anders weet ek nie wat gaan word van ons jong mense nie.

Daar word poste aangebied of facebook en dan betaan die plek nie eers nie. Staan saam en rapporteer sulke plaasings, daar is selfs die waarvoor jy moet geld stuur.

Moet asseblief nie jou tyd mors met sulke goed nie. Jy soek werk om betaal te word, nie om iemand te betaal om vir jou 'n werk te gee nie.

Wees maar op jou hoede!!

Dokter Quinten Fourie ***verwelkom*** *Dokter AJ (Comien) Johnsen by die praktyk.*

Ons verwelkom graag Dokter AJ (Comien) Johnsen by ons praktyk, ons vertrou dat ons lekker gaan saam werk in die toekoms.

Dokter AJ (Comien) Johnsen het ge-matrikuleer aan die Afrikaans Hoër Meisies skool in 2000. Gradueer in 2006 aan die Universiteit van Stellenbosch. Sy is 'n algemene Praktisyn vir wie kwaliteit dienslewering die hoogste prioriteit verkry.

SK GREAT MOMENTS AT THEIR GREATEST VAALMALL

Movie Review

Fifty Shades FREED ★★★★

Cast: Dakota Johnson, Jamie Dornan, Eric Johnson.

Director: James Foley.

Studio: Universal Pictures.

Genre: Romance.

Topics: Book characters

Run time: 101 minutes.

Our Rating: ★★★★

Fifty Shades FREED, is not for the faint hated. ***WARNING TO PARENTS***:

Parents need to know that Fifty Shades Freed is the final installment in the Fifty Shades of Grey trilogy, movies based on E.L. James' best-selling erotic romance novels originally written as Twilight fan fiction.
Like the other two movies, it's an erotic drama with more bedroom action than pretty much anything else.
Like Twilight's Breaking Dawn, Fifty Shades Freed starts with the main characters' wedding and then follows the sex-fueled newlyweds as they navigate external pressures -- but mostly just find ways to have sex anywhere they go.

There are many explicit sex scenes, including extreme close-up shots of naked breasts and buttocks and glimpses of pubic hair -- as well as multiple sexual accessories and toys. The language is also strong, with "f--k," "s--t," and other words used frequently. Characters also drink often (appearing drunk in a couple of scenes), and there's lots of brand/product placement, especially luxury cars (Audi in particular) and electronics. Dakota Johnson and Jamie Dornan co-star.

This movie is not suitable for children. Age 18. This is a full blown adult movie.
