Business Cards

Editors note.....

November month is our Birthday month.

Top Vibe Magazine celebrates our 4th birthday
It is amazing how time flies when you are having fun!!!!
I must say this was a huge challenge for me, something that I wanted to do all my life. Thank you Lord for trusting me and for making my dreams come true!!

My dear clients without you and your adverts in the magazine there would not be any Top Vibe editions. We celebrate this special Top Vibe Birthday month together.....
I thank you God for blessings, and amazing people that have crossed my path during these past 4 years. I have only God to thank...and the people who supported me during this time.

Every thing was not smooth sailing, there were times that I just wanted to give up!!! Those were the opportunities that I can hear my mom say " Pull yourself towards yourself" and then I just decided I came this far, I CANNOT give up now, I have to carry on....

"God is an awesome God" what more can I say!!! Our readers can read more about me and my profile on page 3. I would really like to thank each and every client, who placing an advert within Top Vibe these past 4 years. I am especially grateful and thankful to you for your support in advertising with the Top Vibe magazine since the first issue - **a special thanks.**

I am proud to say that we have introduced a networking circle, Nice Vibe Networx whereby we will be able to promote and market your business more comprehensively together with us on our website www.topvibe.co.za, whereby you can access all previous editions of Top Vibe magazine of the last year.

GOD SE STERK HAND

Wanneer donker wolke om jou vou, is 'n sterk hand altyd by jou. Laat Hy jou lei na waar Hy wil, deur velde groen en waters stil. Hou styf vas aan sy liefdevolle hand en weet Hy is altyd aan jou kant in alles wat oor jou pad mag kom, kan jy maar net vertrou op Hom. Geen aardse pyn is ooit te veel as God dit weer met sy aanraking heel.

Moenie bang wees nie, Ek is by jou, moenie bekommerd wees nie, Ek is jou God. Ek versterk jou, Ek help jou, Ek hou jou vas, met my eie hand red Ek jou.

Niche Vibe Networx profile Charmaine owner Top Vibe Magazine

Profile by: Hillary Dubery (Niche Vibe Networx)

Charmaine has been living in the Vaal area for 30 years, she is already a household name known through her newspaper and now Top Vibe, which she is the editor of. "Top Vibe Magazine" is a free magazine and gets distributed within the Vaal triangle and surrounding areas. Top Vibe Magazine celebrates its fourth (4th) birthday in the month of November.

Her vision and goal for Top Vibe magazine is that it will be a homebrand name first in the regional hometown of the Vaal and surrounding areas and then branch out to be known nationally as well as globally. She has just recently launched her magazine on the website www.topvibe.co.za so this ambition is already possible and happening for Top Vibe!

Charmaine is a dynamic vibrant socialite recognised and known by many famous artists and singers and famous people. She is often seen at many social events, concerts and charitable events that is supported and highlighted within the artistic and glossy pages of the magazine.
She is also highly favoured and well regarded amongst our local business communities within the Vaal and surrounding areas.

Charmaine's work ethics is one comprised of different facets of professionalism, high ethics and integrity. She is definitely not afraid to take risks and at a moment's notice drop her gauntlet to take up the next challenge, as no challenge is too difficult or far reaching for her. She is also a friendly, trustworthy and dependable person as she assures her friends and clientele that she will be that friend who will be there as a support in difficult and trying times together with promising to go that extra mile for you!
Charmaine's words and promises are binding " A promise is a promise" a motto she lives by, applies and honours both in her personal and business life!

Charmaine is a mother of three sons, Willie (29), Martin (24) and Richard (21). Her sons are her world.

She loves them with everything in her. She couldn't picture her life without them. They give her the motivation to go on, there is always time for her children in her busy schedule. She considers herself a survivor of an abusive childhood (she was adopted) and in a previous abusive relationship.
She lost her birth mother six years ago which she is still battling to overcome and come to terms with this tragedy in her life.
Her second name is Theresa named after 'saint Theresa" which is an accurate portrayal of her character that being very emotionally sensitive and caring. She is passionate about and stands up for those who are in abusive relationships, oppressed and needing emotional support and strength within the power struggle and conflict that they are facing and dealing with everyday.

There is also a jovial lighter side to Charmaine. She loves pizza and red wine, when she enjoys time with friends and family.
She is presently in a very committed, nurturing and loving relationship, "he is a wonderful man"!. She is a delightful and charming person to be with always laughing and joking. She is a people's person!!!! She doesn't mind to share a hug. She is known as "charms" amongst her family and friends.

Charmaine's personal connection and relationship to her God transpired through prayer and providence which came through the survival of her sons Martin and Richard's near fatal accident as well as witnessing His healing hand over Martin's fight of chronic asthma. This witness encouraged and empowered her to find divine inner power and protection.
She came to the recognition and realisation that there is more to be grateful for in life everyday!

Charmaine believes strongly in her connection and relationship with her God and His power and trusts that she has been blessed with 3 guardian angels looking out for her!
She truly lives out her faith and beliefs when you get the honour and privilege to interact with and be acquainted with her - you will be able to see this for yourself and be blessed!
Her motto is "NEVER GIVE UP" !!!!!!
